**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please permit me to use a small local internet provider that understands the needs of my community. ATT and Verizon and similar companies do not respect American citizens and privacy. They overcharge and do not provide quality services and treat rural families poorly. They wield too much power in this increasingly fascist state.
